Dealers Auto Auction of OKC

“Offering our customers opportunities and services
Our competitors can’t match!”

- SmartAuction (auction DIRECT connection to SmartAuction, you are not giving your sign on and access to someone, we have our own).
- OVE facilitation (posted by us while at auction or we facilitate the sale when you post units at your lot).
- One of the original shareholders in and owners of Auction Pipeline, the PREMIER independent auction website, combining inventories across the country into a single site to allow dealers easy access to more units nationwide.
- Access to over 40,000 vehicles listed daily nationwide via Auction Pipeline and PLUS. This includes Online sales access via a SINGLE website. The Pipeline’s integration with ADESSA via PLUS gives our customers the flexibility of 74 auctions on one single website.
- Buy it Now inventory nationwide from Auction Pipeline and PLUS.
- Auction Access
- Floorplan access for GMAC, MAFS, AFC, DFC, NextGear Capital, Floorplan Express, and others.
- Oklahoma’s largest weekly vehicle consignment (the widest selection in all price ranges).
- Oklahoma’s largest weekly dealer attendance.
- Oklahoma’s most prestigious consignor lineup (come see why GMAC, RSA, Hertz, Avis Budget Group, and many others call us HOME).
- Oklahoma’s only FULL SERVICE auction reconditioning facilities. Over 130,000 square feet of mechanical, paint and body, and detail service providing any service you can imagine (need something, just ask us).
- Largest Oklahoma auction supporter of Dealer associations and groups (both in Oklahoma via OIADA and MADA and nationwide.).
- Oklahoma’s longest running, oldest auction operating under the same local ownership.
- All transactions fully insured by Auction Insurance Agency (are all the auctions you attend insured?).
- Members of the National Auto Auction Association.
- Members of the ServNet Auction Group, the PREMIER independent auction organization in the country.
- Access to AutoIMS for fleet consignors. DAA/OKC is an original shareholder in the parent company AASC via IAASC showing our commitment to the industry and it’s advancement for our dealer’s and client needs.
